

Dear Sir or Madam:

We know that giving back to the community is important to you and your employees. We hope that you will consider the Autism Society of Maine (ASM) as a benefactor of your charitable endeavors this year for our tenth annual **Walk for Autism on April 29, 2012** that will be held in 4 different locations: the *University College of Bangor, the Farmington Fairgrounds, the University of New England in Biddeford* and a our new pilot location at the *University of Maine, Presque Isle*.

Autism affects 1 in 110 children born nationally and is the fastest growing developmental disorder. In Maine the number is even higher at 1 in 87. This has placed an increased demand for our services. ASM serves over 2,500 families across the State of Maine.

Your help is needed more than ever to help the Society be a vital support to families. Your marketing dollars will be used specifically for education, advocacy efforts, summer camp, and family supported programs.

This is a great opportunity to achieve public recognition for leadership as well as marketing attention to your company and products with your tax deductible contribution.

Please encourage your employees to form a team and participate in the walk. This builds a sense of company pride, leadership, and planning. Some teams design their own t-shirts and then take a group picture.

Sincerely,
Cathy E. Dionne
