

Canvas Painting Workshop

ASM Family Retreat - Saturday, July 13th - 2:30

Coastal Lighthouse

Lighthouses are traditional icons of coastal home decor. Accent your home with this beautiful lighthouse set against a soft pink and blue sky. You can almost hear the waves crashing against the rocky crag.

This is a **FREE** workshop for adults, all materials will be provided for you to create and bring home a 16 x 20 canvas painting. To ensure creativity, there are no observers in this workshop, everyone present will be participating!

No Experience Needed!

A beginner's level design using acrylic paint with Susan

Let's create this beautiful lighthouse painting together! The design is the same, but our paintings will be unique to each other's style and creativity!

Pre-register for this workshop on your Family Retreat registration form!
