

# DOWN ON THE FARM

## Alpacas and Baby Goats

Miniature Horses

You can't have a farm and not have animals—ASM is proud to have the **Pony Express Petting Zoo** visiting the retreat this year for the kids to hang out with (if they choose to do so) on Saturday Morning.

Kids will be able to see Goats and their babies, a momma Alpaca and her baby, a Zebu (a cow native to southern Asia) a miniature horse and miniature Donkey! Grain will be available for those who would like to feed the animals.

Animals will be kept in a fenced in area and will be supervised at all times.
