Dear Friend,

The Autism Society of Maine is pleased to announce that its **12th Annual Ride for Autism** will take place on **September 15, 2018** in scenic **Kennebunkport, ME**. The event's base will be the Kennebunkport Conservation Trust building on Gravelly Brook Road.

The **Ride for Autism** is a key fundraiser for the Autism Society of Maine and supports vital programs that we offer Maine families. *Proceeds from this event will fund our 15th Summer Camp for Children with Autism Spectrum Disorder, our Family Retreat Weekend, and our Autism Information Specialist Program.*

**Autism** is a developmental disorder that affects **1 in 59 children** sometime in the first three years of life. Autism impacts the normal development of the brain in areas of cognition, social interaction and communication skills.

Please help us raise much-needed funds to support our programs for children, families, and individuals whose lives have been affected by autism as well as raise awareness and educate about autism. I would be happy to answer any questions you may have, my phone number is **1-800-273-5200** and my email address is [asm@asmonline.org](mailto:asm@asmonline.org). I look forward to talking with you.

Sincerely,

*Cathy E. Dionne*
