Dear Friend,

I am pleased to let you know that the Autism Society of Maine will be holding its **17th Walk for Autism** on **April 28, 2019**. This annual fundraising event will be held in six different locations: the **University of Maine** in **Bangor**, the **University of New England** in **Biddeford**, the **University of New England** in **Portland**, the **Drinkwater Elementary School** in **Northport**, the **Farmington Fairgrounds** and at the **Fryeburg Fairgrounds**.

Your help is needed more than ever to help the Society continue their vital support to families. We have been in existence for 42 years and have provided services on many levels. There are roughly 6,000 families in Maine affected by autism. When you diagnose an individual with autism, you diagnose the family. We become a **friend for life**. How many agencies can say that?

Your Donation Goes Towards these Programs Across Maine:

- One on one support for families or individuals with Autism Spectrum Disorder (ASD)
- Help navigating the educational or state agency systems in Maine
- Providing workshops to schools, library's, local doctor, or law enforcement agency's
- Providing free summer camp experience for children with ASD
- Providing a family retreat weekend where families and children come together for education and fun

This is a great opportunity as a Corporate Sponsor to achieve public recognition for leadership as well as drawing marketing attention to your company/organization and products with your tax deductible contribution. Your company will be advertised at all 6 locations. (Please see enclosed sponsorship levels available.)

We hope that you will consider the Autism Society of Maine a benefactor of your charitable endeavors for 2019. Please feel free to contact me with any questions you may have at 1-800-273-5200.

Sincerely,

Cathy E. Dionne

Cathy E. Dionne
Executive Director
Autism Society of Maine
